SIR,

I have the honor to forward herewith a copy of Resolution -- No.9 dated 9th July 1930 of the Ayurvedic and Unani College Committee, Mysore, to engage for the in-patients out-patients wards of the -- Unani section, Mr. Sattar Saits building on a monthly rental of Rs.100 and to state as follows.

The in-patient ward is now situated in the College premises -- which is a rented building in Old Agrahar, Mysore. 24 beds have been sanctioned for the ward. At present only Ayurvedic treatment is -- given in the wards. It is very necessary that there should be an inpatient ward for treatment of the patients by the Unani system also. So the committee is of opinion that it is desirable to have separate -- wards for the Ayurvedic and Unani systems with an equal ~~No.~~ number of beds in each, the usual ~~no.~~ number being limited 10 in ~~xxxxx~~ each which may be raised to 12 in special circumstances. While the Ayurvedic ward will continued in the present building it is not possible to have the -- Unani ward in this building alone as the Superintendent in charge is the Unani Pandit Mr. Mustapha who has to attend the out- atient --- hospital which is now located in one of the rooms in the Devaraj -- Market about a mile distant from the present ward buildings on a rent of Rs.15/- per mensem. The Committee therefore proposes that Mr. Md. Sattar Saits's building in Doda Peth which is available to

a rent of Rs.100/- per mensem may be engaged to locate both the out patient and inpatient' sections of the Unani branch of the institution so that the physician incharge of the Unani out-patient branch who is also to be the Superintendent of the ---- Inpatient ward may be in a position to both work without any - extra strain. I agree with these proposals and beg to recommend that Government sanction may kindly be obtained for the same.

As regards the financial commitment involved by the - proposals, I beg to state that at present a sum of Rs.15/- per mensem is being paid as rent for the Unani Hospital and Rs.40/- per mensem for the inpatient ward. ~~The~~ ~~the~~ Unani section is -- removed from there and the ~~no,~~ number of beds reduced, the outpatient and the inpatient section of the Ayurvedic Branch can easily be accommodated in one building alone, as the college will be -- removed very soon to the new buildings to be put up. So there will a savings of Rs.55/- per mensem by this arrangement against which provision has to be made for the payment of Rs.100/- per mensem. The extra cost of Rs.45/- per mensem involved can well be met from the provision of Rs.12,000/- made in the budget of -- 1930-31 for the purchase of medicines etc., When the building that is proposed to be constructed out of the endowment of ---- Mr. Banamiah coupled with Government grant is an accomplised -- fact this amount will be saved and may be utilised for other -- improvements.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.
